Rev Dr Crook.

My dear Sir

Allow me to introduce  
to you my friend Capt S. Q. Brown,  
of the Army during the war,  
now on his way to N. Orleans.  
to start a Loyal Paper -

He is an earnest Christian  
& desires to promote religious  
temperance & every good work  
in his paper. -

To that end he writes to

publish some of my sermons,  
and I should be very glad  
to have him do it, &  
I shall give my consent,  
as <sup>to</sup> a missionary work.

As this will not in any  
material degree - if at all  
interfere with your  
circulation I presume  
you will feel as I do  
about it

I am truly yours  
H. W. Beecher
